

TFC  
INSURANCE  
AGENCIES

---

## 1.1 INTRODUCTION

TFC Insurance Agencies is a subsidiary of the Thakrar Financial Consultants group of companies. The Parent Company was incorporated in January 2012; has Partners with over 15 years of industry experience as an Audit and Tax Consultancy and a client base of over 300 individuals and companies from all across East Africa.

The Founder of TFC Group, Ms Anjali Thakrar has over 15 years of experience in the Kenyan Market in the field of Finance and is known for Reliability and Accessibility to advise and assist at any time.

TFC Group has formed a long and trusting relationship with the members of the community and its clientele and based on numerous client requests has opted to start the Insurance Division.

Over the years TFC's team has grown to over 30 trained personnel with Qualified Managers leading every department. We share a commitment to make sure you will be a satisfied customer.

We are proud to offer strength, stability and sophistication that comes with years of practical knowledge.

### **AS AN INDEPENDENT AGENCY; WE OFFER YOU CHOICES**

We represent a carefully selected group of financially sound, reputable insurance companies and we place your policy with the company offering the best coverage at a competitive price.

- We offer Consultancy & Risk Management Services
- We take the time to make a complete analysis of your insurance needs so we can design a responsible protection program that uses the companies best suited to your situation
- Our assessment includes a risk management review designed to help you eliminate, reduce or transfer risk and possibly reduce the cost of your insurance package
- We present you with a competitively priced proposal
- We offer an annual review of your insurance program, to make sure you are well protected
- We move quickly to help you get fair, prompt settlement of claims

## 1.3 WHY CHOOSE TFC INSURANCE AGENCIES?

- With access to over 20 years experience in related fields of accounting, auditing and taxation consultancy, the company is uniquely positioned to understand the risks and obstacles faced by businesses and individuals today.
- Our business is built on quality service and coverage at viable prices. We understand our clients' needs and aim to provide the complete coverage for each individual policy. TFC Insurance Agencies serves a multitude of markets, offering personal, commercial, life, and health coverages through the largest and most stable insurers in the marketplace including Bupa International, Aetna, Allianz and ... among others.

## WHY USE AN AGENT IN THE FIRST PLACE?

- Working in tandem with several insurers and brokers, an agent is able to source policies from several insurers to offer clients the coverage level that they need, for no additional costs.
- In addition to an agents' network coverage, an agent can negotiate on a client's behalf with an insurer for the most competitive premium rates.
